## 2025 Head of Hockey Report

2025 has been another busy

We have had so many memories this year. Hosting the National U 18 Women's tournament in July saw a National tournament return to the National Hockey Centre. Our Competitions again had a busy season. Full intercity competitions at P1 and P2 grades and a local competition P3 and below culminated in a busy finals day that ran from 8 am to midnight. The growing capability of our clubs each year is something that is really impressive, considering the amount of volunteer hours that go into it.

While we didn't get a national title this year in the performance space we still had some strong results from our national teams. All 4 NHC sides made it to the medal rounds in Christchurch with the Tiger Turf NHC P1 men the pick of the bunch claiming a silver medal. Unfortunately the Bronze medal matches provided elusive for our P1 women and P2 teams who all ended up 4<sup>th</sup>. Our U 18 sides failed to medal this year but hosting a home tournament and having 3 U 18 women's teams representing North Harbour was a great achievement on home turf.

Our Master's rep sides headed North to Whangarei where the 35+ Men and the 65+ women took gold. All up 8 North Harbour teams medalled out of the 12 teams we had at the tournament. At the U 16 level we were lucky enough to win 2 of the 4 events with our U 16 Webster and U 16 Edwards boys winning their respective grades, while our U 14 sides continue to grow their knowledge and development in full field competition with their matches against Auckland.

Locally we introduced the U 12 Hub league this year, creating a higher level of competition for our primary school players. using the 3 Hubs our primary schools play at (Albany, Millwater and Warkworth) The league saw a big jump in U 12 players entering our North harbour pathway and a great competitive 4 week competition.

2025 had some special International achievement from our North Harbour whanau that you will see later on in this report. The year included an Indoor World cup, Junior World Cup qualifier, Trans Tasman Masters tournament, Nations cups, oceania cup, NZ A trips, Azlan Shah and a Junior World cup to end the year. North Harbour had strong representation at all the events, showcasing our continued representation on the international stage.

Thanks for a wonderful 2025 and heres to another successful 2026 year.

James Coughlan  
NHHA Head of Hockey

# 2025 REPRESENTATIVE - THE NUMBERS

## 2025 Hockey Report

### Northern Region Under 16

12 Teams: 6 Female & 6 Male  
Participants: 100 Female & 104 Male

Coaches: 9 Female & 10 Male

Youth umpires attended the Northern Region Tournament

### National Under 18

5 Teams: 3 Female & 2 Male  
Participants: 54 Female & 36 Male

Coaches: 6 Female & 6 Male

Officials & Umpires attended the National U18s  
Umpires: 2 Female & 2 Male  
Technical Official: 1 Female  
Umpire Coach: 1 Female

### National Hockey Championship

4 Teams: 2 Female & 2 Male  
Participants: 36 Female & 36 Male

Coaches: 4 Female & 6 Male

Umpires: 1 Female & 1 Male  
Technical Official: 1 Male  
Umpire Coach: 1 Female

# HARBOUR EXCELLENCE ACADEMY

10-15 **Coaches** used throughout each block

## 2025 Hockey Report

Harbour Excellence Academy (HEA) is a two-block year-long academy. Our academy is built on a four-tier pathway that places athletes in the environment best suited to their current skill level. Each athlete is tiered based on either their club or representative placement, and as athletes grow, they move up the tiers, ensuring they’re always learning at the right pace.

In addition to the tiered pathway, the academy offers skill-specific sessions, including Goalkeeper and Drag Flicking sessions, and all sessions follow a periodisation plan for fitness, which is supported by Hockey New Zealand.

Block 1: February - March		<div><div>HARBOUR</div><div>EXCELLENCE ACADEMY</div></div>	Block 2: October - December					
45			36	<b>Black Tier</b> D3 to D2 club players & U16 representative players	29			22
38			38	<b>Grey Tier</b> D1 to P3 club players & The top U16 representative sides	35			42
17			15	<b>White Tier</b> P2 club players & U18 representative players	38			32
26			32	<b>Maroon Tier</b> P1 club players, NHC representative players & HNZ contracted players	Maroon Tier does not run in Block 2 due to player involvement in the Premier Hockey League.			

# NORTHERN REGION UNDER 16

## 2025 Head of Hockey Report

We were delighted to host the Northern Region Under 16 Grant McLeod and Riki Burgess Tournaments from 27–30 September. Over four exciting days, it was fantastic to see the teams grow and develop, and even more rewarding to watch our Under 16 players having fun and enjoying the vibrant, festive atmosphere.

The tournaments brought together 49 teams and 47 umpires from across the Northern Region, with North Harbour proudly represented by 12 teams and 12 umpires. Across the five turfs, a total of 138 games were played during the event.

### Congratulations to the tournament winners:

Grant McLeod Boys Trophy – Auckland Blue

Grant McLeod Girls Trophy – North Harbour Webster

Riki Burgess Boys Trophy – North Harbour Edwards

Riki Burgess Girls Trophy – Auckland White

A huge thank you to all the Associations involved for your support, and to the participants, coaches, managers, and parents for making the tournament such a success. Special thanks to our umpires and officials for ensuring everything ran smoothly throughout the four days.

Team list to follow.

Grant McLeod Girls Champions - North Harbour Webster

Riki Burgess Boys Champions - North Harbour Edwards

# NATIONAL UNDER 18

## 2025 Head of Hockey Report

We were thrilled to host a tournament that marked a significant milestone. Our first age group National Tournament on home soil in a long time. Adding to the occasion, our teams proudly took the field in brand-new uniforms provided by Dynasty.

There's nothing quite like playing at home. The energy on the field was matched by the incredible support off the field, with our home crowd turning up in force to create an unforgettable atmosphere for the teams.

While the Women battled it out at home, our Men headed south to Timaru. It was fantastic to see so many families making the trip down—a true testament to the spirit of our community.

We proudly represented five teams across the Men's and Women's tournaments, featuring 86 players, and for the first time, we entered a third Women's team.

A huge thank you to all the players, coaches, managers, families, and supporters who made the 2025 Under-18 campaign possible. These events wouldn't happen without your support, and we're grateful to have such an amazing community around us.

# NATIONAL HOCKEY CHAMPIONSHIP

## 2025 Head of Hockey Report

### Final Placings:

TigerTurf Premier Men – 2nd  
TigerTurf Premier Women – 4th  
Premier 2 Men – 4th  
Premier 2 Women – 4th

What an incredible week for our four National Hockey Championship (NHC) teams at the NHC Tournament! We are proud to share that all four teams finished in the top four, a true testament to their hard work, talent, and team spirit throughout the week.

Our TigerTurf Premier Men delivered a well-deserved podium finish, making it all the way to the final, where they faced Canterbury, a strong home team. It was an intense match, and our boys gave it everything, coming away with the Silver Medal.

Meanwhile, the TigerTurf Premier Women, Premier 2 Women, and Premier 2 Men all secured 4th place after battling through tight, high-quality games. Their commitment, energy, and teamwork shone throughout the week, earning them a spot among the top teams in the tournament.

Across the board, it was an impressive showing, with every team stepping up and representing Harbour with pride.

A massive thank you to all the players, coaches, managers, and supporters whose passion and dedication made Harbour proud. These achievements wouldn't be possible without you!

# PARTICIPATION REPORT

---

## 2025 Participation Report

Reflecting on 2025, it has been an incredibly busy and rewarding year at both ends of our participation spectrum. Whether it was the electric atmosphere surrounding the Masters National Tournament in Northland or the structural innovations in the U12 Flagship space, this year has witnessed notable strides toward our goal of broadening the participation base. Our focus remains clear: to nurture future talent for the Hawks and Wolves while ensuring hockey remains a sport for life.

The 2025 Masters National Tournament in Northland was a standout event. NHHA was represented by a contingent that showcased not only high skill but incredible camaraderie. It was a golden year for our 35+ Men and 65+ Women, who both secured National Titles. Our depth of talent was further proven with Silver medals for the 40+ Men, 40+ Women, 45+ Women, and 60+ Women, while our 50+ Men and 65+ Men brought home Bronze. Beyond the medals, seeing Harbour represented at International Masters competitions this year was a true testament to the "Hockey for Life" philosophy we champion.

Significant strategic changes were introduced in the U12 space to improve accessibility and development. We reintroduced trials and launched local training hubs for Harbour, Millwater, and Mahurangi players. This localized approach allowed players to train closer to home before culminating in a successful 4-week game series.

Meanwhile, our U14 Junior Wolves and Hawks tackled the second year of the "Battle of the Bridge" against Auckland. This initiative is crucial for preparing players for full-field hockey and competitive trial formats. Harbour fielded four boys' and four girls' teams, all competing with distinction. A special mention goes to Team Roberts, who achieved 4 wins from 4 games.

While new initiatives took center stage, our flagship participation programmes continued to deliver awesome results. Our Holiday Programmes have seen consistent growth in numbers for three consecutive years. Furthermore, our Funsticks and Preschool Play programmes—now running for over a decade—remain the heartbeat of our community, introducing our youngest members to the joy of the game.

Thank you to our community, volunteers, players and everyone that cheered from the sidelines for a wonderful 2025. Here is to another successful year in 2026..

Carey Wessels

NHHA Participation Manager

## U10 Cubs & Hawklets

## Development Clinic

## Pre-School Play & Fun Sticks

## School Holiday Programmes

# U14 JUNIOR WOLVES & HAWKS

## 2025 Report

This marks the second year since we have introduced the new structure to our flagship u14 programme for players in school year 7 and 8. For the year 7's this serves as their first exposure to full field 11 a-side hockey. While for our year 8's, it allows them to build on previous experience. A key advantage to our players, is the benefit of half field games during the winter competition and the exposure to full field hockey. This gives our players great learnings and development in their hockey journey.

In line with our inclusive trial system, every player was given the opportunity to compete in the 'Battle of the Bridge' against Auckland. Harbour hosted a fantastic turnout, fielding four boys' teams and four girls' teams—a testament to our goal of fostering participation and a love for the game.

Thank you to all the coaches, supports, parents and players for making this a memorable campaign. We wish the Year 8's all the best in the next part of their hockey journey and look forward to welcoming the Year 7's back for another outstanding campaign.

# U12 CUBS & HAWKLETS TRI-SERIES

## 2025 Report

The 2025 season marked a significant and exciting change in our offerings for the U12 (Year 5 and 6) age group, focusing on local community engagement and development.

The new structure was met with substantial enthusiasm, demonstrating the value of localizing our training. With over 150 players across the new hubs and numerous coaches and volunteers.

To foster a strong sense of team and local pride, each hub proudly designed its own unique training shirt in partnership with Dynasty.

This year served as a crucial developmental phase, introducing players to a new level of competition and spatial awareness:

Players successfully transitioned from quarter-field to half-field play—a deliberate step designed to increase individual time on the ball, improve decision-making under pressure, and prepare them for future formats.

The local training phase culminated in a four-week competitive series hosted at Harbour, allowing the hubs to test their skills against each other.

Building on this success, we look forward to continuing to grow the numbers in the local hubs in 2026, aiming to engage even more players and coaches in the community.

# 32 U10 CUBS & HAWKLETS

## 2025 Report

The u10 Cubs and Hawklets programmes serves as the exciting first step in our flagship player pathway, igniting passion for hockey. Players were introduced to basic trial process in session 1, where basic skills where recorded. This early engagement is a strategic way for Harbour to build comprehensive player knowledge and enhance tracking capabilities, setting a benchmark for players as they progress through our development pathway.

This 8 week programme, designed for Year 3 and 4 players provides a fun, engaging and supportive introduction to core fundamentals skills of the game.

We were thrilled with the immense turnout and success for the 2025 season, we welcomed close to 100 enthusiastic young players.

We wish the Year 4's well, as they move into the next phase of their hockey journey and look forward to welcoming back the Year 3's for another successful season.

# NHHA NATIONALS MASTERS REPS

## 2025 Hockey Report

### Congratulations to all the players who competed in the National tournament in Northland 2025

What an unforgettable week for our Harbour Masters teams at the National Masters Tournament! The results are truly phenomenal, showcasing the depth of talent and dedication within our association.

We are proud to share that 8 out of 12 teams secured medal positions and every single Harbour team finished in the top 4, a true testament to their hard work, talent, and team spirit throughout the week.

Across the board, it was an impressive showing, with every team stepping up and representing Harbour with pride. A massive thank you to all the players, coaches, managers, and supporters whose passion and dedication made Harbour proud. These achievements wouldn't be possible without you! Team list to follow

# COMPETITIONS REPORT

---

## 2025 Competitions Report

Another fantastic year of Junior, Secondary, and Club hockey wrapped up!

We started the year with Jay (our Competitions Manager) expanding his horizons at Harbour and moving into the Pathway Manager role after 6 years in competitions. This meant I moved into a slightly different role as Competitions & Communications Manager and a new staff member, Courtney Watt, joined the team as Competitions Administrator. Courtney is part of the NHHA community and has been playing hockey since she was a 8 years old. This passion for hockey and Harbour have made her an amazing addition to the team.

We've seen an incredible surge in Junior participation, with our Year 1/2 winter competition at Albany growing from 6 teams to an impressive 15 teams, what an exciting sign for the future of hockey!

A warm welcome to Hobsonville Point Primary and Stanmore Bay, who joined our summer competitions for the first time. We're thrilled to have you on board and look forward to seeing you again for the 2026 winter season.

In the Intermediate competition, we reintroduced finals – a brilliant addition that was well received and made for a thrilling finals evening to close the season out.

The first round of the Secondary School Competition saw Rangitoto Boys 1XI and Mahurangi Girls 1XI take out the Grade 1 titles. The Secondary Boys finals were a real highlight, with Harbour hosting both the Premier and Greater Auckland A1 finals. Congratulations to Rangitoto 1XI for winning the Greater Auckland competition! And what a season for our girls' teams, well done to Westlake 1XI for claiming the Premier title and Mahurangi 1XI for taking out the Greater Auckland A1 competition.

A huge shout-out to Takapuna for an outstanding season: the P1 Women secured the Premier 1 Intercity title for the third consecutive year, while the P1 Men clinched the championship – an incredible achievement! Congratulations also to HDF Premier 1 Men for winning an action-packed Harbour Grand Final against ECB, and to ABC Premier 1 Women for taking home both their Grand Final victory and the championship.

Thank you to our Clubs, schools, coaches, umpires, players, parents and supporters for making another amazing season possible and we can't wait to see what 2026 holds for our hockey community!

Nicolene van der Merwe

## 2025 Mayhill Cup & Olympic Stick

What an unforgettable week at Harbour!

The energy was incredible, the games were awesome to watch, and the team spirit was something to celebrate!

We proudly hosted the Secondary School tournaments featuring the Mayhill Cup and Olympic Stick, and the numbers speak for themselves:

- 19 teams battled it out in the Mayhill Cup
- 17 teams competed for the Olympic Stick
- Over 102 games played across 10 associations

What stood out most was the sportsmanship on the turf and the encouraging voices from the sidelines, showing what truly makes hockey a great sport!

A huge congratulations to our champions:

- Trident High School – Mayhill Cup
- Tauranga Boys College – Olympic Stick

Thank you to all the players, coaches, managers, supporters, and a special shout-out to Umpire Manager Jack Bramah and our dedicated umpiring team for making this event such a success.

# 2025 HNZ LIFE MEMBER

## 2025 Hockey Report

It is with great pleasure that we announce Brent Miller’s tireless dedication to hockey was acknowledged on Saturday when he was given the honour of Life Membership of Hockey New Zealand.

Brent’s remarkable contribution to hockey spans over six decades, during which he has demonstrated unwavering commitment and leadership as a player, coach, administrator, and governor, primarily with the Takapuna Hockey Club and North Harbour Hockey Association. Beginning as a player in 1957, Brent has played every season since 1970, represented North Harbour at every National Masters Tournament since 1999, and been selected for New Zealand Masters teams for over 15 years.

His visionary leadership was instrumental in merging the Takapuna men’s and women’s clubs, developing the club into one of the best administered in the region, and supporting the funding and construction of key hockey facilities. Brent has served as club chairman and president for decades, contributed significantly to the Harbour Hockey Charitable Trust, and provided both financial and professional support to ensure the growth and resilience of the sport, especially during challenging times.

He has previously been recognised as a Life Member of both Takapuna and North Harbour Hockey as his enduring philanthropy, and drive have left an indelible mark on the hockey community, inspiring generations and setting a benchmark for volunteer service and sporting excellence.

Thank you Brent, for all you do for us and congratulations from all of us on this honour. [#harbour4life](#)

# 2025 NHHA LIFE MEMBERS

## 2025 Hockey Report

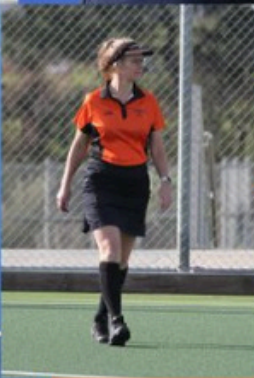

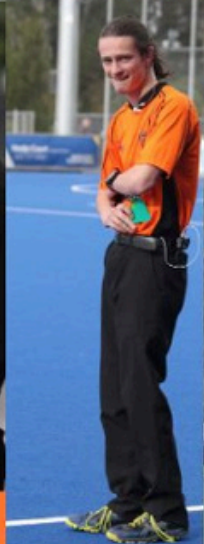

We were also incredibly proud to appoint two new Life Members – Ian “Barty” Bartholomew and Gavin Hawke. Their Life Memberships are a fitting tribute to lives of service and we're grateful to call them part of our hockey whānau, forever.

Thank you again to everyone who joined us in recognising these special moments

2025 Hockey Report

# UNIFORM

## 2025 Hockey Report

New energy steeped with tradition, from 1992 to 2025 excited to see our 🐾 and 🦅 in the new North Harbour representative kit at the Vantage National tournaments thanks to dynasty sport

Much of the new uniform has traces to our history with its own spin. The White home playing strip pays homage to our old hoops strip with smaller lines along the front, while the Alternate strip represents the maroon colour that North Harbour is known for.

The logo on the front of the home playing strips represents our wolf and Hawk adding to the culture of wearing the North Harbour uniform being the first hockey association in the country to have their mascot logo on their uniform. The North Harbour logo sits in the centre at the back of the uniform with the #harbour4life embedded in the collar.

The playing socks bring together old and new as the Maroon socks take us back to 1992 the original North Harbour design while the white with Maroon top give contrasting colours ensuring our teams look smart when on the turf

Off the field wear heavily focusses on our maroon colour with long and short sleeve training tee options and a hoodie that brings back our mid 2000's look.
